

Accounts Payable/Receivable Specialist

Banking hasn't changed much in decades. We're changing that. One product at a time.

Lunar is a Nordic challenger bank building the future of financial life with AI at the core. Our engineers, designers, and product people work on problems that actually matter. Making money simpler, smarter, and more rewarding for millions of people across the Nordics.

Fully licensed and founded in 2015, with offices in Copenhagen, Aarhus and Stockholm.

We move fast, we build with purpose, and we're just getting started.

As our new Accounts Payable/Receivable Specialist, you'll join the Accounts Payable team based in Copenhagen, reporting to our Head of Accounting, working to keep our payables and receivables accurate, reconciled and on time across the group.

What will you do?

- Process payments and invoices accurately and on time, so suppliers get paid and nothing sits waiting
- Reconcile accounts payable and receivable every month, so our financial records match reality
- Follow up on outstanding accounts, chasing overdue payments and helping resolve what's stuck before it turns into a write-off
- Keep the invoice approval process moving, following up with approvers so invoices don't quietly age in someone's queue
- Handle your dedicated area of our side invoicing, including invoicing for services and office rental spaces

What are we looking for in you?

- Hands-on experience with accounts payable and receivable, including invoice processing, payment runs and collections at real transaction volume
- Experience with an ERP and accounts payable tooling such as Business Central, Unit4, Continia or similar
- Confidence in Excel for reconciliations (pivot tables, XLOOKUP, SUMIFS, large datasets)
- The persistence to follow up with invoice approvers until things actually move, and the reliability to keep your area running smoothly alongside the rest of the team
- Professional working proficiency in English

Benefits and perks

- 4 days in the office. We're a team that builds together, thinks together, and moves together. Showing up is part of how we work.
- State of the art equipment. The newest computer, monitor, mouse, and keyboard. We want you to do your best work without anything slowing you down.
- Pension, health insurance, and enhanced parental leave. From your financial future to your family moments. We've got you covered.
