

FCP Onboarding Specialist

Banking hasn't changed much in decades. We're changing that. One product at a time.

Lunar is a Nordic challenger bank building the future of financial life with AI at the core. Our engineers, designers, and product people work on problems that actually matter. Making money simpler, smarter, and more rewarding for a million of registered users across the Nordics.

Fully licensed and founded in 2015, with offices in Copenhagen, Aarhus and Stockholm.

We move fast, we build with purpose, and we're just getting started.

As our new FCP Onboarding Specialist you'll join the Financial Crime Prevention team based in Copenhagen, working to make sure every business customer starts their Lunar journey the right way — compliantly, quickly, and with care.

What will you do?

- Own the end-to-end onboarding process for new business customers, keeping it smooth, compliant, and efficient from first contact to approval.
- Apply your KYC and AML expertise to assess and mitigate risk without letting it slow things down — quality and speed matter equally here.
- Handle complex cases independently using our custom-built case management system, making sound judgements under pressure.
- Collaborate closely with the broader FCP teams to ensure our processes meet regulatory requirements and hold up to scrutiny.

- Act as a knowledge partner for junior colleagues and contribute actively to improving workflows, automation efforts, and team performance.

What are we looking for in you?

- 2+ years of experience in KYC, AML, or business customer onboarding — ideally from a regulated financial institution or fintech.
- Fluency in Danish and English, both written and spoken.
- A structured, detail-oriented way of working and a strong sense of risk awareness.
- Comfortable working with autonomy in a fast-paced environment where the goalposts move and priorities shift.
- A collaborative mindset — you take pride in your own output and actively help the people around you raise theirs.

Benefits and perks

- 4 days in the office. We're a team that builds together, thinks together, and moves together. Showing up is part of how we work.
- State of the art equipment. The newest computer, monitor, mouse, and keyboard. We want you to do your best work without anything slowing you down.
- Pension, health insurance, and enhanced parental leave. From your financial future to your family moments. We've got you covered.
