

Analyst (part-time) - KPMG Corporate Finance team

We are looking for a motivated and talented Analyst to join our growing Corporate Finance team in Copenhagen.

We offer ongoing professional and personal development opportunities related to high-profile engagements and business development. We work in a professional and high-performance environment but make sure that everyone in our team receives guidance and coaching, is engaged, have fun and work on exciting projects.

About KPMG Corporate Finance

We are a leading global mid-market M&A and Corporate Finance advisor, offering our services to private and public companies, private equity funds, as well as financial and institutional investors. We work closely with our colleagues across KPMG's global network with more than 2,500 Corporate Finance professionals across 80 countries.

Corporate Finance is a cornerstone of KPMG Denmark's vision to become the clear choice within professional services. We advise shareholders, leadership teams and non-executives on acquisitions & divestments of companies and assets, as well as more complex company valuations and business case modeling.

About the position

As a part of our Analyst team in Corporate Finance, your primary tasks will be:

- Assist our Directors and Partners in marketing & business development.
- Analyze markets, sectors and companies.
- Develop sector presentations and materials for marketing and case studies.

- Adapt KPMG's International Thought Leadership & Industry to our business development.
- Assisting on M&A pitches and preparing for client meetings.
- Ad hoc tasks.

Weekly workload will be about 10-20 hours with flexibility during exam periods

About you, our newest team member

We seek a highly qualified and energetic Analyst with the following qualifications:

- You are in your final year of your bachelor's degree or have recently started your master's degree in finance, economics or similar.
- Open-minded with a positive and 'can-do' mind-set.
- Great academic background within finance, strategic management or economics.
- Solid analytical experience from management consulting, banking, investment, wealth management, private equity or similar.
- Strong analytical skills including experience with Excel and PowerPoint.
- Solid written and verbal communication skills.
- Fluency in English and Danish is a prerequisite.
