

Senior Legal Counsel

Copenhagen, Denmark

About the job

At Saxo, we believe access to global capital markets should be simple and accessible. As Senior Legal Counsel, you will play a key role in supporting Saxo's continued growth, innovation and strategic ambitions.

Reporting to the General Counsel, you will provide trusted legal advice across a broad range of business initiatives, regulatory developments, corporate matters, commercial activities, governance matters and strategic projects. Working closely with stakeholders across our offices in both Denmark and abroad, you will help ensure that legal considerations enable business success while maintaining the highest standards of governance, integrity and regulatory compliance.

This role combines strong legal expertise with stakeholder management and business partnership. As Senior Legal Counsel, you will act as a trusted advisor across Saxo, providing pragmatic legal guidance and partnering with stakeholders at all levels of the organisation to navigate legal complexity and support informed decision-making.

Responsibilities

As Senior Legal Counsel, you will:

- Provide strategic legal advice to key stakeholders across Saxo.
- Support commercial, corporate, governance and regulatory matters affecting the business.
- Advise on marketing activities, customer communications, commercial partnerships and strategic business initiatives.
- Partner with business stakeholders to ensure legal risks are appropriately identified and managed.
- Support product development, business expansion initiatives and corporate projects.
- Contribute to effective legal governance frameworks and decision-making processes.
- Collaborate closely with Compliance, Risk Management, Internal Audit and other control functions.
- Manage relationships with external counsel and legal service providers.
- Monitor regulatory developments and support the implementation of relevant legal and regulatory requirements.
- Contribute to the continuous development of the Legal function and strengthen its role as a proactive business partner.

Your profile

You are an experienced legal professional with a strong legal foundation and a proven ability to navigate complex business challenges in a highly regulated environment.

You bring solid legal expertise, sound commercial judgement and the credibility to serve as a trusted advisor to stakeholders across the organisation. You are comfortable balancing legal risk with business priorities and have a pragmatic, solution-oriented approach to legal advisory.

To succeed in this role, you will preferably have:

- A master's degree in law or an equivalent legal qualification.
- Solid legal experience preferably gained either within the financial services industry or at a leading law firm advising clients in regulated sectors.
- Understanding of the legal and regulatory framework governing financial institutions and financial markets.
- Experience advising business stakeholders on legal matters in relation to strategic initiatives and commercial matters.
- Strong stakeholder management and communication skills, with the ability to translate complex legal matters into practical business advice.
- A proactive, commercially minded and collaborative approach.

Beyond your technical legal capabilities, you are a trusted business partner who builds strong relationships across the organisation and enables informed decision-making while maintaining a high standard of legal governance and integrity.

We get curious people invested in the world
