

Moonrise FCP Risk & Requirements Officer

Banking hasn't changed much in decades. We're changing that. One product at a time.

Lunar is a Nordic challenger bank building the future of financial life with AI at the core. Our engineers, designers, and product people work on problems that actually matter. Making money simpler, smarter, and more rewarding for millions of people across the Nordics.

Fully licensed and founded in 2015, with offices in Copenhagen, Aarhus and Stockholm.

We move fast, we build with purpose, and we're just getting started.

As our new Moonrise FCP Risk & Requirements Officer you'll join the Moonrise FCP Risk & Requirements team based in Copenhagen or Aarhus, reporting to Tommy Callesen, working to keep our correspondent banking customers properly onboarded and reviewed throughout their lifecycle.

What will you do?

- Own the end-to-end customer lifecycle for our correspondent banking customers — onboarding, event-driven reviews, and time-driven reviews
- Carry out due diligence that's both thorough and timely, so customers move through the lifecycle without unnecessary delay
- Partner closely with colleagues across the customer lifecycle team and with FCP Risk & Requirements, who set the standards you work to
- Keep documentation clear and audit-ready, so every decision is easy to follow and defend

- Spot gaps or friction in the current process and bring forward ideas to improve how the team works

What are we looking for in you?

- Strong analytical skills, attention to detail, and sound judgement
- Experience handling customer lifecycle tasks — onboarding, event-driven reviews, time-driven reviews — ideally within correspondent banking or a similarly complex customer segment
- Proactive and self-driven, with the time management skills to juggle competing deadlines
- Comfortable bringing relevant financial crime expertise to a team that depends on getting the detail right

Benefits and perks

- 4 days in the office. We're a team that builds together, thinks together, and moves together. Showing up is part of how we work.
- State of the art equipment. The newest computer, monitor, mouse, and keyboard. We want you to do your best work without anything slowing you down.
- Pension, health insurance, and enhanced parental leave. From your financial future to your family moments. We've got you covered.
