

Senior Financial Controller, Group Accounting & Controlling

Do you want to join a global leader in renewable energy infrastructure? If so, CIP Fund Solutions is looking for a Senior Financial Controller to join our office in Copenhagen.

Team

You will be a part of a team consisting of five skilled financial professionals and will support our financial strategy to align with CIP FS' ambitious long-term goals.

You will engage senior stakeholders to provide crucial financial insights across our platform companies and regions.

Role

Reporting to the VP of Global Controlling and Financial Reporting, you will contribute to the consolidation of the group's financial statements and related reporting processes. You will be responsible for ensuring high-quality financial reporting and compliance with relevant accounting standards, and for supporting the business with accurate and timely insights.

Your responsibilities will include:

- Monthly controlling of accounts including cost controlling, balance sheet controlling and intercompany (IC) controlling

- Prepare and analyze consolidated financial statements and management reports
- Driving improvements in reporting processes and financial controls
- Collaborate with finance teams across the organization to ensure best practices in group reporting
- Close cooperation with the global capability center (shared service center)
- Oversight and controlling of service provider activities and point of contact for local service providers responsible for finance and corporate matters
- Act as a contact for auditors and internal stakeholders

You

You have an MSc in Economics or Finance and 3-5 years of full-time experience in audit, financial controlling, or consultancy from a Big4 firm. You also have experience in consolidation and are motivated by building best practices, solving complex issues and developing the finance function.

We look for the following in a candidate:

- Comprehensive knowledge of cost accounting and controlling
- Advanced analytical skills and attention to detail
- Effective time management, with the ability to prioritize assignments and manage short deadlines
- Solid communication skills and ability to collaborate across functions
- Curious and self-driven
- Danish GAAP and consolidation principles knowledge
- Fluency in English, both spoken and written
- Experience with Business Central and OneStream is an advantage

The process

Please apply online as soon as possible as applications will be processed on an ongoing basis. For questions related to the role, please reach out to our Talent Acquisition team at recruitment@cipfs.com. We do not include CV's and Cover Letters sent by email.

As we continue to improve our candidate experience, diversity and avoid unconscious bias, please avoid having a photo in your CV. We commit to an inclusive recruitment process and equality for all applicants.

Please be aware that we will not accept speculative CV submissions for any of our roles from recruitment agencies, and any unsolicited candidate submissions will be exempt from any payment expectations and ownership.

CIP Fund Solutions' commitment to diversity and inclusion

CIP Fund Solutions is committed to securing a diverse and inclusive work environment where everyone feels respected and heard.

A diverse workforce allows CIP Fund Solutions to achieve results through different approaches and solutions to task execution and problem solving. We want all our employees to have equal opportunities for personal growth and career opportunities regardless of age, gender, sexual orientation, disability, religion, nationality, or ethnicity.

CIP Fund Solutions

CIP FS' purpose is to enable CIP's ambition to scale rapidly over the coming strategy-period - supporting our colleagues with professional and efficient financial, legal, tax and business operations through the cycle from fund formation and capital raising, to deploying investments into construction of large-scale greenfield renewable energy assets, as well as M&A.
