

Senior Auditor

Are you ready to engage in audit projects within a complex and evolving business environment? Join our Audit LC&I team and apply your experience in capital markets and investment management to provide valuable insights across Danske Bank's Large Corporates & Institutions organisation.

What you will be doing

You will contribute to audit projects spanning all aspects of LC&I, working with a team that oversees critical areas of the bank's operations across the Nordic region and internationally. Your work will directly support the oversight and enhancement of practices within Large Corporates & Institutions, covering Asset Management, Corporate & Institutional Banking, Investment Banking, Fund Management, Markets, Strategy & Development and Transaction Banking.

Being part of the Audit LC&I team, some of your areas of responsibility will be to:

- Lead or contribute to audit projects within LC&I ensuring comprehensive risk coverage
- Evaluate the effectiveness of internal governance and risk management processes
- Build strong stakeholder relationships with LC&I representatives, ensuring a collaborative and transparent dialogue around current and developing risks
- Assist in the risk assessment of LC&I business areas and provide input to our audit response
- Stay updated on regulatory developments and industry best practices

About you

- Demonstrated experience with capital markets and investment products, obtained either through performing such activities or through a function responsible for overseeing them

- Familiarity with regulatory compliance related to investor protection and market integrity
- Strong attention to detail and project management capabilities
- Excellent communication skills in English, both verbal and written
- Ability to analyse data and utilise AI in audit work
- Bachelor's degree in Finance, Auditing, Business Administration or related field
- Minimum 3 years' experience in an audit, compliance or risk function, or extensive experience from working in a capital markets/investment management function

What we offer you

You will have great opportunities for professional growth and career advancement within our department of approximately 100 employees and across Danske Bank as a whole. We prioritise creating an empowering yet supportive work environment that encourages open-mindedness and promotes collaboration. The role is based in Copenhagen, Denmark, working in a hybrid model with 3 to 4 days per week in the office to promote collaboration, knowledge sharing, and culture building.

Are you ready for the next step?

Please submit your CV and motivational letter detailing your qualifications and experience with LC&I business activities. For further enquiries about the position, contact Head of Audit LC&I Wilma Schön at wilma.schon@danskebank.se. The application deadline is 7 October 2026. Interviews will commence once the application period has ended.

We look forward to hearing from you!
