

Associate/Sr. Associate, Flagship Portfolio Management Team

Do you want to join a global fund manager in energy infrastructure investments? If so, Copenhagen Infrastructure Partners (CIP) is currently looking for an Associate/Sr. Associate to join our Flagship Portfolio Management Team based in Copenhagen.

Team

The Flagship Portfolio Management team sits at the heart of our investment platform, overseeing the performance, strategy, and long-term value creation of our largest and most strategic funds. The team manages the full lifecycle of portfolio assets by monitoring financial and operational performance, analyzing market and asset-level developments, identifying risks and opportunities, and ensuring alignment with fund strategy. Working closely with investment teams, asset managers, and senior leadership, the team develops portfolio models, reporting frameworks, and decision-support materials that guide both day-to-day management and long-term planning. Joining the Flagship Portfolio Management team means contributing directly to the success of high-profile funds in a dynamic, analytical, and collaborative environment

Role

You will play a key role in supporting the management and performance oversight of our flagship funds. You'll gain exposure to high-profile assets, collaborate with experienced professionals across the organization, and contribute directly to the performance of our flagship funds. It's an ideal environment for someone who thrives in analytical, fast-paced settings and wants to play a meaningful role in shaping portfolio outcomes.

Responsibilities will consist of but are not limited to:

- Support the ongoing monitoring and analysis of portfolio performance across Flagship funds

- Maintain, update, and enhance portfolio models, dashboards, and reporting tools
- Prepare high-quality materials for investment committees, senior management, and investor reporting
- Conduct financial analysis, scenario modelling, and forecasting to support strategic decision-making
- Track key performance indicators, market trends, and asset-level developments
- Identify risks and opportunities within the portfolio and support follow-up actions
- Collaborate closely with investment teams, asset managers, and other internal stakeholders to ensure alignment with fund strategy
- Assist in preparing portfolio reviews, valuation updates, and fund-level presentations
- Contribute to process improvements and the development of best-practice portfolio management frameworks

You

You are holding a university degree in finance, economic, business or a related field and 1–4 years of relevant experience in investment management, portfolio management, corporate finance, consulting, or a similar analytical role.

We look for the following in a candidate:

- Ability to interpret complex data and communicate insights clearly to senior stakeholders

- Excellent verbal and written communication skills, including proficiency in creating high-quality PowerPoint presentations
- Self-starter with a structured and disciplined approach to your work, the ability to connect the dots independently, and to thrive in a fast-paced environment.

- Solid financial modelling skills and solid understanding of valuation, forecasting, and performance analysis
- Excellent analytical and problem-solving abilities, with a high level of attention to detail
- Proficiency in Excel; experience with BI tools or data analytics is a plus
- Comfortable working with large datasets and multiple information sources
- A collaborative mindset and the ability to work effectively with cross-functional teams
- High level of professionalism, ownership, and motivation to contribute to fund-level decision-making

The process

Please apply online as soon as possible as applications will be processed on an ongoing basis. For questions related to the role, please reach out to our Talent Acquisition team at recruitment@cipfs.com. We do not include CV's and Cover Letters sent by email.

As we continue to improve our candidate experience, diversity and avoid unconscious bias, please avoid having a photo in your CV. We commit to an inclusive recruitment process and equality for all applicants.

Please be aware that we will not accept speculative CV submissions for any of our roles from recruitment agencies, and any unsolicited candidate submissions will be exempt from any payment expectations and ownership.

Building value that matters
Founded in 2012, Copenhagen Infrastructure Partners P/S (CIP) is a global fund manager and leading investor in energy infrastructure. CIP builds value that matters by developing and constructing critical infrastructure projects that shape the future of energy.

Through its funds, CIP invests in power generation (solar and wind), energy storage, transmission and distribution, advanced bioenergy, low-carbon fuels and carbon capture.

With 15 funds currently under management, CIP is trusted by over 200 of the world's largest and most sophisticated institutions, having raised EUR ~43 billion to date.

CIP has projects in more than 30 countries, with presence on the ground through a network of +2,300 professionals with extensive experience and knowledge within the fields of renewable energy project development and regulated infrastructure. In addition, CIP has a broad range of competencies within corporate finance, mergers & acquisitions, engineering, construction, project development, and project management.

Headquartered in Copenhagen, CIP operates from key locations across the globe, including offices in Hamburg, Munich, London, Amsterdam, New York, Tokyo, Melbourne, Luxembourg, Kuala Lumpur, Seoul, and Singapore. In addition, CIP has 17 local project offices globally.
