

Business Management Consultant

Join our Business Management team and contribute to organisational development in a dynamic banking environment. You will collaborate with senior leaders to deliver communication initiatives that engage and inspire teams across the organisation. This role offers the opportunity to work on strategic initiatives while developing your expertise in change management and stakeholder engagement.

What you will be doing

As a Business Management Consultant, you will serve as a strategic partner to senior leaders within Business Controls & Product Management, supporting the unit's development through effective communication and organisational initiatives. You will work with diverse stakeholders to ensure clear messaging and successful delivery of key priorities.

- Design and execute communication strategies that support organisational goals
- Create Executive Leadership Team and Board level presentations and memos
- Facilitate leadership team meetings and ensure timely follow-up actions
- Manage strategic initiatives across BCPM at operational and administrative levels
- Support senior leaders with organisational development and change initiatives

About you

- Relevant university degree or equivalent educational background
- Experience supporting leadership teams in delivering unit goals and priorities
- Demonstrated ability in designing and delivering communication initiatives across channels
- Strong project management skills with a record of managing initiatives, creating powerpoint presentations and memos
- Excellent written and verbal communication skills in English
- Ability to engage stakeholders across various teams and organisational levels

- Strong time management skills with aptitude for prioritisation and multitasking

What we offer you

You will join a collaborative team focused on protecting products, processes, and services while bringing value to customers and society. We offer a hybrid work model with 3 to 4 days per week in our Copenhagen office to promote collaboration and knowledge sharing. You will have opportunities to develop your expertise in change management while working closely with senior leaders on strategic initiatives.

Are you ready for the next step?

We would love to hear from you if you are passionate about organisational development and delivering communication initiatives that make a difference.

We process applications continuously, so we encourage you to apply sooner rather than later. For questions about this role, please contact Maja Denise Berense Montmerle at majm@danskebank.dk.

We look forward to hearing from you!
