

Student Client Credit Manager to Copenhagen

We are looking for a full time or part-time Student in Large Corporate & Institutions to execute and be involved in the work with creating customer groups in a new system. This role is ideal for a student who wants to combine their studies with hands-on experience in the business area space within a large Nordic organization.

In today's world, change is the one thing you can count on. But whatever the future brings, our customers remain at the heart of everything we do. That's where you come in. Working with dedicated colleagues in an exciting, fast-paced environment, you'll help meet our customers' changing needs.

We aim to be courageous and explorative in our approach to innovating better ways of delivering banking services – anytime, anywhere. This means you'll have many opportunities to learn and grow as you build your career with us. Will you help us lead the way in creating great customer experiences?

About our team

Welcome to us! Large Corporates & Institutions provides financial solutions to large Nordic and international corporates and institutional customers. Our offering includes a diverse range of financing, cash management and payment services, investment banking, capital markets products and securities services. You'll join Client Credit Management, where we run and maintain effective and efficient middle office function in Large Corporates & Institutions within the credit process. The team works in close cooperation with Client Executives, Group Credit Management, Credit & Rating Analysis, product responsible units, and contributes to maintaining and improving the customer satisfaction.

Welcome to a team known for great passion and commitment for the customers.

Collaboration. Ownership. Passion. Courage. These are the values that guide us in how we work and how we make decisions – and that we imagine you share with us.

What you'll be doing:

- Executing and take lead in the work with conversion of customer groups into a new system
- Securing that the customer data are compliant according to the guideline
- Supporting in other ad-hoc tasks

This role is based in Copenhagen, Denmark.

Who you are**Your background and skills include:**

- Ongoing university or higher education studies in finance or similar
- Availability to work part-time alongside your studies
- You are self-driven, flexible and have a positive attitude, are loyal to decisions and have a professional approach with a clear view to the end goal
- You are a true team player with a strong capability of prioritizing the daily work in a structured manner as well as cooperating internally
- You have excellent communication skills, a strong drive, open for change and a high degree of initiative without losing the ability to pay attention to details
- You are proficient in spoken and written Danish and English

What we offer

People come here when they want to get somewhere. For some, it's to take their career to the next level. For others, it's to break new ground within their area of expertise – in other words, with us, you will always move forward.

A culture that fosters performance and growth in one of the largest Nordic banks, offering various opportunities to evolve, develop and learn from brilliant colleagues with diverse backgrounds in a vibrant working environment.

Diversity and inclusion are a natural part of our daily work. We know that an inclusive workplace is a sustainable one. We genuinely believe that our diverse backgrounds, experiences, characteristics and traits make us stronger together. Every day we strive to find new ways to improve diversity and inclusion within our community e.g. we have signed the European Diversity Charters in the countries where we operate to show our commitment and engage with others to continue learning and improving.
