

Enterprise Architect, Data Architecture

Welcome to Group Technology, where we pride ourselves on engineering solutions and direct Nordea's transformation by providing a holistic technological view and structured understanding of the bank, and its surrounding environment to enable the Customer Vision and the Business Strategy. We are looking for an Enterprise Architect to support our deliveries on Nordea's Data Strategy.

Nordea is a place where traditions meet tomorrow. We're not just a bank, we're a tech employer on a mission to evolve finance securely and responsibly. Together, we impact millions of people's daily lives by ensuring they can access our solutions anytime, anywhere, while safeguarding their personal data and wealth. Join us in making an impact on the banking industry.

About our team

Meet the Data Architecture team. Our role is to provide a holistic view and framework for data architecture, while working closely with our colleagues in the business areas to secure that our designs are effective and enable business value.

Main responsibilities in this role:

- Designing blueprint for enterprise implementation of enablers for Nordea's Data Strategy and strategic initiatives in Group Data Management
- Engaging with stakeholders to understand the business strategy and design a secure scalable enterprise architecture accordingly
- Providing solution design and architectural artifacts as part of Nordea's delivery process
- Reviewing solution design and architectural artifacts.
- Supporting SA Data in transitioning towards Data Products

Who you are

This is the right role for you if you want to put your mark on Nordea's data landscape by driving Enterprise Architecture in Service Area Data delivering Products and Data Product Enablers.

Your background and skills include:

- 5+ years of related work experience in the areas of Enterprise Architecture, Data Architecture and associated disciplines
- 5+ years of experience from architecture in Financial Services
- Demonstrated ability to design and drive domain and/or service architecture in complex solution and business landscape
- You have strong collaboration and influence skills across business and technology
- Strong ability to communicate architectural options and consequences in a clear and understandable way

It would be ideal if you also:

- Work with Data Products or Data Architecture in general

What we offer

Collaboration. Ownership. Passion. Courage. These are the values that guide us in how we work and how we make decisions – and that we imagine you share with us.

People are driven by many different factors. For some, it's to take their career to the next level. For others, it's to break new ground within their area of expertise – in other words, with us, you will always move forward.

A culture that fosters performance and growth in one of the largest Nordic banks, offering various opportunities to evolve, develop and learn from brilliant colleagues with diverse backgrounds in a vibrant working environment.

Hybrid working model – we believe in the value of bringing people together and at the same time we embrace the freedom of flexibility.

Diversity and inclusion are a natural part of our daily work. We know that an inclusive workplace is a sustainable one. We genuinely believe that our diverse backgrounds, experiences, characteristics and traits make us stronger together. Every day we strive to find new ways to improve diversity and inclusion within our community e.g. we have signed the European Diversity Charters in the countries where we operate to show our commitment and engage with others to continue learning and improving.

If this sounds like you, get in touch!

Next steps

Submit your application no later than 06/10/2026.

We enable dreams and aspirations for a greater good.

We build relationships. We add a personal touch to everything we do – when advising our customers, collaborating with colleagues, and meeting our potential candidates.

We learn and develop. We take pride in being experts and thinking ahead. We use our expertise to meet our customers' needs, from the simplest to the most complex. We bring a growth mindset to our work that enables us to focus on a broader perspective in our daily challenges.

We lead change. We are responsible and aware of the impact of our decisions, both for our customers and for our local and global communities. Mindful of our responsibility towards current and future generations, we have made sustainability an integrated part of our business strategy.

We are Nordea. We have a 200-year history of supporting and growing the Nordic economies and our values are deeply rooted in these open, progressive and collaborative societies. As one of the biggest employers in the Nordics, Poland and Estonia, you have excellent opportunities to evolve, develop and move forward with us. Studies show that members of underrepresented communities don't apply for jobs unless they tick all the qualification boxes. If this is part of why you hesitate to apply, we would like you to reconsider and give it a chance. Maybe your profile fits our needs much better than you think.
