

Analyst, Corporate & Sustainability Advisory DK & NO, Large Corporates & Institutions – Denmark

Do you have a keen interest in financial markets and sustainability? Do you enjoy developing high-quality financial analysis with strategic impact? And are you ready to take a key role in advising some of the largest and most complex corporates in Denmark on capital structure, funding strategy and sustainability? This entry-level role offers rapid learning and broad exposure to complex advisory work.

What you will be doing

As an Analyst in our Corporate & Sustainability Advisory team, you will work alongside senior colleagues to deliver strategic financial advice to large corporate clients. You will be part of our newly integrated Denmark and Norway team, collaborating across markets to provide tailor-made solutions on capital structure, funding strategy, and sustainability initiatives.

- Conduct high-quality financial statement analysis with strategic importance for clients
- Develop expertise in capital structure, credit ratings, acquisition capacity, and funding strategy while integrating sustainability initiatives to enhance financial outcomes and value creation
- Prepare clear and engaging client presentations and management materials
- Support client engagements, pitches, and analytical projects across markets
- Contribute to improving analytical models and client materials

About you

To succeed in this role, you should have:

- Master's degree in Finance, Economics or related field with strong academic record
- Strong analytical capabilities and commercial mindset
- Genuine interest in sustainability and financial markets
- Structured working approach with clear communication skills
- Fluency in Danish and English for cross-country collaboration
- Ability to deliver high-quality results in collaborative environments

Experience from banking, consulting, treasury, or client-facing roles would be beneficial for your success in this position.

What we offer you

You will join a highly skilled advisory team within a leading Nordic financial institution. We provide exposure to complex projects and collaboration across diverse teams. Our supportive learning environment focuses on continuous feedback, and you will be part of a pan-Nordic network of professionals with strong opportunities for development within strategic corporate advisory and sustainable finance.

Are you ready for the next step?

We believe diverse backgrounds and perspectives strengthen our team, and we encourage all qualified candidates to apply. Applications are reviewed on an ongoing basis, so please apply as soon as possible.

For more information, please contact Head of Corporate & Sustainability Advisory DK/NO Anders Johannessen at ajohan@danskebank.dk or Chief Analyst Hanne Brendstrup at habre@danskebank.dk.

We look forward to hearing from you!
