

Analyst, CI Capital

Do you want to work with a global leader in renewable energy infrastructure investment? Then CI Capital and Copenhagen Infrastructure Partners (CIP) are the perfect place for you. We are currently looking for a legal student to join the CI Capital team working with CIP in Copenhagen.

Team

CI Capital is a family investment office of the five Senior/Equity Partners of Copenhagen Infrastructure Partners which is co-located and works closely with the fund manager Copenhagen Infrastructure Partners.

The CI Capital team's key responsibility is coordinating CIP's five Senior/Equity Partners' ownership of CIP. Further, CI Capital is consolidating the increasing investments by the Senior Partners in funds managed by CIP and other investments as well as driving continuous professionalization of other family office activities.

The team currently consists of 12 highly experienced and motivated people, including a legal team of three (two Senior Attorneys and one Analyst).

We emphasize strong teamwork and a collaborative mindset, while also value an informal and friendly atmosphere where people enjoy working together. As part of the team, you will join a supportive group of colleagues who take pride in delivering high-quality work, helping each other succeed, and maintaining a positive and enjoyable working environment.

The legal team plays a vital role in terms of coordinating new investments, structuring thereof, continuous ad-hoc support, and administration of the Senior/Equity Partners' entities.

Role

As a Legal Student (titled Analyst) in CI Capital, you will contribute to providing advice and assistance relating to legal structuring and assisting the two legal counsels in CI Capital with various kinds of ad hoc legal queries and administrative tasks.

The role is a part-time position with 15-20 working hours a week.

Responsibilities include, but are not limited to:

- Assisting the legal team in CI Capital with various ad hoc legal matters
- Assisting with maintaining updated corporate documentation and structure charts
- Assisting with corporate housekeeping such as annual general meetings etc.
- Managing corporate compliance processes under supervision from the team
- Assisting with KYC material, signature requirements etc.
- Assisting with preparation and execution of investment subscriptions and related transaction documentation
- Conducting legal research and assisting with legal analyses and preparing background materials for the legal team
- Assisting with various legal, corporate, practical and administrative tasks as required

You

You are in the third year of your bachelor's degree or have started on your master's degree in law (bac.jur./cand.jur.) or in Business Administration and Commercial Law (HA(jur.)/cand.merc.jur.).

We look for the following in a candidate:

- A "can-do"-attitude
- Analytical skills
- Profound interest in company and commercial law (experience or knowledge within company law, commercial law and private equity is a plus but not a requirement)
- Thriving with responsibility and displaying high attention to detail
- Able to adjust quickly and do well in demanding professional settings
- Structured and systematic approach to assignments
- Fluency in English

The process

Please apply online as soon as possible as applications will be processed on an ongoing basis. For questions related to the role, please reach out to our Talent Acquisition team at recruitment@cipfs.com. We do not include CV's and Cover Letters sent by email.

As we continue to improve our candidate experience, diversity and avoid unconscious bias, please avoid having a photo in your CV. We commit to an inclusive recruitment process and equality for all applicants.

Please be aware that we will not accept speculative CV submissions for any of our roles from recruitment agencies, and any unsolicited candidate submissions will be exempt from any payment expectations and ownership.

Building value that matters

Founded in 2012, Copenhagen Infrastructure Partners P/S (CIP) today is the world's largest dedicated fund manager within greenfield renewable energy investments and a global leader in offshore wind. To date, CIP has developed and constructed more than +50 greenfield renewable projects around the world. CIP is developing a greenfield project portfolio of ~160GW total, and ~16 GW is in operation or under construction. CIP manages 13 funds and has to date raised approximately EUR ~35 billion for investments in energy and associated infrastructure from more than ~200 international institutional investors.

CIP has a multinational team of ~500 full-time employees with extensive experience and knowledge within the fields of renewable energy project development and regulated infrastructure. In addition, CIP has a broad range of competencies within corporate finance, mergers & acquisitions, engineering, construction, project development, and project management.

CIP has built a prominent investment team capable of originating proprietary investment opportunities and executing projects and investments based on the team's industrial background, large industrial network, and extensive experience in structuring, executing, and managing investments within energy infrastructure. Headquartered in Copenhagen, CIP also operates from key locations across the globe, including offices in Hamburg, Munich, London, Utrecht, New York, Tokyo, Melbourne, Luxembourg, Kuala Lumpur, Seoul and Singapore. In addition, CIP has 17 local project offices globally.
