

Specialist in Foreign Exchange and Money Market Team

Are you interested in foreign exchange products and see yourself working in financial market operations in close collaboration with dealers and large global institutions? Are you passionate about financial instruments and want to develop your career in this field?

A Great opportunity has arisen to join Foreign Exchange and Money Market team and start your journey in dynamic FX and MM environment that creates great opportunities for personal, product and market knowledge development!

You will be part of experienced Foreign Exchange and Money Market team and you will be responsible for trade settlements executed between Danske Bank and other global banks and large corporates. The complexity of your tasks will depend on your progress pace and individual results. You will be working in a team of about 15 employees.

"Be yourself. We like it that way."

You will:

- Assure timely and accurate settlement of FX and Money Market products (internationally)
- Communicate with different stakeholders within the bank as well as external parties globally resolving discrepancies and ensuring timely service delivery
- Investigate, analyse, solve arising problems, handle payments, bookkeeping and confirmations of FX and Money Market products
- Report to internal and external stakeholders (institutions)
- Maintain and improve quality in daily tasks so that the client receives the best possible service

- Participate in various projects within the value chain

About you:

- Higher education
- Knowledge in various financial products
- Experience in banking operations
- Knowledge in swift payments
- Ability to work in a fast-paced environment maintaining accuracy and high quality with limited instructions
- Interest or experience in FX, money markets, finance and economics
- Upper-Intermediate English skills

We offer:

Monthly salary range from 1600 EUR to 2400 EUR gross (based on your competencies relevant for the job).

Additionally, each Danske Bank employee receives employee benefits package which includes:

- **Growth opportunities:** professional & supportive team, e-learning, numerous development programs; (incl. professional certificates); 100+ professions for internal mobility opportunities.
- **Health & Well-being:** a diverse, inclusive, work & life balance work environment; additional health insurance; mental well-being practices; partial psychologist counselling compensation; silence and sleep zones at the office; game rooms.
- **Hybrid working conditions:** Work from home up to two days a week; home office budget (after the probation period); modern Danske Campus workplace developed with anthropologist for the best employee experience.
- **Additional days of leave:** for rest, health, volunteering, exams in higher education institutions, and other important activities. Moreover, for seniority with Danske Bank.
- **Monetary compensation package:** accidents & critical diseases insurance; financial support in case of unfortunate events, travel insurance; Illrd Pillar Pension Fund contribution.

See all the benefits [HERE](#).

Your job function (position) in the job contract will be Officer – Service Delivery Specialist (Markets Specialist), Associate. From 1 April 2026 it will be renamed to Markets Operations Management under our new job architecture, with no impact on the role or responsibilities

Join our Team! If you're interested in this role and joining my team, feel free to contact Mindaugas Gagilas, Head of FX & MM Services via [LinkedIn](#), and I will answer your questions!

About Us

Danske Bank is a Nordic bank with bridges to the world around us. For 150 years, we have supported people and businesses in releasing their potential. A career with us is an opportunity to join a community of 22,000 colleagues in a culture where we are committed to Teaming Up, Owning It and Being Open. Together, we are on a journey to transform Danske Bank into a better bank. For our customers, our employees and the societies around us.
